There are a total of 8 residential households adjacent to **Alameda Road (East Side of Street Only)** between **Mariposa Drive and Rosedale Terrace, as well as along Rosedale Terrance between Alameda Drive to the end of the first property line on Rosedale Terrace**. There are 7 "Yes" signatures on the Residential Permit Parking Program petition, which represent 88 % (e.g. 100%) of the households within the section mentioned above. I hereby state that each signature is valid and representative of only one household (resident only), this includes all households in multi-unit dwellings (such as duplexes, apartments, etc).

I declare that a good faith effort has been made to record the signatures indicating the positions (for or against) of all of the households within the proposed area.
